

Parking near the Illini Union

Short-term metered parking on the streets on campus is 75c/hour (but free after 9pm and on Sundays). For long term parking, your best bet is to park in one of the university Faculty/Staff parking lots, which typically allow free public parking in the evening and on weekends.

Warning: Read the signs as you enter the lot. Some lots may not be open to the public, and in lots that are, there are some spaces that are reserved 24/7. In the map below, the red colored lots offer your best bets. B1 and B2 are a 5 minute walk, and typically have lots of space. If you're real lucky, you might find a spot just next to the Union.
